Digital Yacht - New South African Catalogue & Price List

Dear Dealer,

Digital Yacht is all about next generation navigation, communication and entertainment systems for boating. Our products integrate into existing and new boat networks to bring a powerful dimension to on-board electronics.

Currently, we are looking to expand our business in South Africa. We've a new competitive price list in local currency (ZAR) and you can download from [HERE](#) or click on the link below.

Our range of products cover the following applications:

- AIS - Class A, B and B+ transponders as well as a full line up of receivers and AIS accessories
- Sensors - High performance sensors with Windsense, fluxgate compass HSC100 and the GPS160 TriNav sensor
- Wireless Internet - Affordable hi power WiFi systems and routers and 4G Connectivity
- NMEA Interface - connect dedicated marine electronics to smartphones, tablets and laptops
- Marine PCs & Applications - Integrate Aqua Compact Pro PCs into the boats' systems
- Software - Powerful apps and navigation software
- Entertainment - HD TV on board with the DTV100 antenna and access to apps such as Spotify or Netflix with our 4G solutions

We've also set up a new dedicated [South African website](#)

We are expanding our business and brand in South Africa and we're keen to partner with the best local dealers. Please contact us for details of our trade discount structure. We ship from our UK or EU logistics centres with DHL at a fixed price of ZAR800 per order regardless of size.

Fingers crossed and Covid allowing, we'd like to be exhibiting this year at the Cape Town Boat Show.

Above all, stay safe, happy and healthy.
