Digital Yacht Offers & Support For Yacht Clubs and Marinas

Digital Yacht offer a range of innovative and unique marine electronic products including AIS, wireless internet, sensors and a host of gateways and interfaces for NMEA 0183, NMEA 2000 and wireless.

Our products integrate into existing and new boat networks to bring a powerful dimension to on-board navigation and communication. We've set up a new dedicated [South African website](#) in local currency (ZAR).

We have systems for cruising and racing, for power, sail and fishing boats. Our aim is to reach out to local yacht clubs, associations and marinas to offer great deals, expert advice and opportunities for talks etc.

Feel free to contact us direct and let's see if we can get a great package together for your members.

Kind Regards,

THE DIGITAL YACHT TEAM
