New Products from Digital Yacht at Southampton Boat Show Stand J417

The 2021 Southampton Boat Show kicks off on Friday 10th September and Digital Yacht will be exhibiting in Ocean Hall on stand J417. We'll have exciting new products on display including:

4G Xtream - The latest in 4G web connectivity for boats with Cat 6 MIMO 300MBs modem technology offering fast, reliable internet up to 25NM offshore. It's also equipped with an NMEA 2000 interface, integrated GPS and dual band wifi for internet and NMEA data distribution around the boat

as well as IOT and tracking applications. Find out more [HERE](#)

AquaNav Pro Marine PC - Our latest navigation PC with low power Intel i3 processor, ultra rugged solid state construction and integrated NMEA 2000 interface - ideal for boat navigation applications. Details [HERE](#)

We'll also have our popular AIS solutions working live and integrated to iPads and tablets with the best of charting apps from Navionics, NavLink, TimeZero and Weather 4D. Upgrade to next generation navigation!

The event is not just a great showcase of new boats and products but also a chance to get a great deal and get your technical questions answered by our expert team. It's great to be getting back to normal and we look forward to seeing you on Stand J417 10-19 September 2021

DIGITAL YACHT 2021 IS ALL ABOUT NEXT GENERATION NAVIGATION, COMMUNICATION AND ENTERTAINMENT SYSTEMS FOR YOUR BOAT. BOATING SHOULD BE FUN, SAFE AND EASY AND OUR PRODUCTS INTEGRATE INTO EXISTING AND NEW BOAT NETWORKS TO BRING A POWERFUL DIMENSION TO YOUR ON-BOARD ELECTRONICS.
